### Iron Mill May Resume Operation.

There is talk of resuming operations at the old iron mill on Red River in Estill county. This mill was located ten miles from the mouth of the stream mentioned, which empties into the Kentucky at a point near Irvine, and has not been in operation for more than forty years, but was formerly a very prosperous concern and turned out an excellent quality of pig. "Pig Iron" Kelly, the late noted Congressman from the iron center of Pennsylvania, visited the mill and the surrounding ore districts about twenty years since and pronounced the ore to the finest quality. The mill suspended operations because of the vast difficulty experienced in floating the ore out the Kentucky to market. There were only five locks in the river at that time and they were never used. The only ore brought out in the shape of pig was floated out on barges and the bottom of the Kentucky is strewn with the contents of many of these boats wrecked by the treacherous tides and shoals of a river then almost uncontrollable.—Frankfort Journal.

The iron mill mentioned above which used to be in Estill is now in Powell and was located where this city now stands. We hope the report is true but will be better pleased when we see work begin.

The winter term of the Stanton College begins January 4th, 1909. This College will make a specialty of supplying superior training for public school teachers in addition to the regular collegiate course. Every teacher and prospective teacher in the county not thoroughly equipped for their work, should attend this school this winter. Write R. A. McConagha, President, for prospectus and full particulars.

### Good Citizens Move Away.

Mr. T. J. Kirk and family, Mr. Henry Waldron and family, Messrs. John and Price Kirk and their families left this city Monday morning for Billings, Okla., where they will reside in the future. Powell county had no better citizens than these folks and it is seriously regretted by all that they should leave us. Our best wishes go with each of them.

Johnny Dawson raised the banner tobacco crop this year in Powell county which he sold last week at 16½ cents straight. On two and one-tenth acres he produced three thousand pounds which he sold at above prices.

Remember the poor about Christmas time. They enjoy good things better than those more comfortably fixed, and also remember that the greatest of all happiness is in making someone else happy.

The First National Bank, of Jackson, with \$25,000 capital has been organized with Judge J. P. Adams President.

### Provisions for Judicial Primary.

The Democratic Committee of this Judicial district met at Richmond Thursday and ratified the call for primary election to select candidates for Circuit Judge and Commonwealths Attorney. Mr. B. A. Crutcher being the only announced candidate for Commonwealths Attorney, he was declared the nominee.

The Committee also formulated rules for the race and declared if either candidate, directly or indirectly, himself or by his friends, should give, loan, or promise, money, liquor or anything of value for the purpose of promoting his candidacy or influencing votes, the vote of such candidate should be thrown out and not counted. Each candidate shall make oath in accordance with these provisions and before the certificate shall be awarded the winner he shall make oath that he has complied with these provisions.

Both Judge Benton and Judge Hays declared in favor of the resolutions and indicated their willingness to take the oath.

In drawing for positions on the ballot, the first place was secured by Judge Hays.

### For Sheriff.

In this issue appears the formal announcement of Mr. A. P. Johnson, of this city, for Sheriff of Powell county, subject to the action of the Democratic party. Mr. Johnson has been Chief Police of this city for nearly five years and during this time he has made a sober and faithful officer. There is no more loyal Democrat in the county than he, and there no man that can better fill the office of Sheriff than he. Every Democrat should consider well his claims before casting their vote in the primary election Feb. 6th.

Notwithstanding the extraordinary hard times, our merchants are enjoying a very nice Christmas trade. They have a nice line of holiday goods hence shopping should be an easy task. Make your purchases early is our advice that you may get a better selection. Don't go away from home to trade when you can do better in your own town.

The trial of Beech Hargis for the murder last spring of his father, Judge James H. Hargis, is in progress at Irvine this week. Both the defendant and commonwealth are anxious for trial. Hargis has a fine array of legal talent headed by Senator W. O. Bradley.

Don't lose hope in the future of your town, but study conditions that need correction and set about to apply a proper remedy.

A Christmas tree will be given the children at the Christian church Christmas eve night. Every body invited.

Judge J. M. Benton is in the city today looking after his interests in the Judicial Judgeship race.

Miss Geneva Adams is visiting friends in Morehead.

Governor Willson says he absolutely will not call an extra session of the Legislature to deal with the local option measure and the legislative re-districting bill. Good once for the Governor. As the Legislature passed these matters by last winter it is reasonable to suppose the same Legislature would do the same thing if called in extra session this winter. Both measures need attention but we must first elect members of the General Assembly who are inclined to give them attention.

Our town will not lose anything by working for and impressing each and every farmer in the neighborhood with the fact that Clay City exists for his benefit as much as for those who reside within its corporate limits.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a tea-spoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. ## Remarkable Story

The story of Mrs. Matilda Warwick, of Kokomo, Ind., as told below, proves the curative properties of that well-known female remedy, Wine of Cardui. Mrs. Warwick says:

**TAKE CARDUI**  
It Will Help You

"I suffered from pains in my head, shoulders, limbs, side, stomach low down, dizziness, chills, nervousness, fainting spells and other female troubles. I was almost dead. Three doctors did not help me. At last, I took Cardui, and with the first bottle obtained relief. Now I am cured. But for Cardui, I would have been dead." Try Cardui.

### LETTERS FROM USERS OF THE Syracuse "EASY" Washer

"Your machine is a complete success. I learned more about washing out of your little booklet than I ever would have from all the women you could stand in a row. I have been paying \$1.25 a week for washing when I can do the same in two hours with the 'EASY'."

"We have tried the 'EASY' and find it just as you represent it and the only washer I ever saw that does the washing clean without rubbing on the board. It is easy to work and does the washing thoroughly. It certainly has no equal."

**E. E. LIGGETT, R. D. 1, Box 4, Avella, Pa.**

Make the washing easy for one-twelfth of the year at our expense. Wash everything washable in the house. If you cannot make the "EASY" earn its price during the house-cleaning season return it at our expense.

Pages 26-27 of our free book on Washing Formulas give you valuable information on washing fabrics.
